

The Assets of Constitutional Jurisdiction.

- **Author(s):** Mohammad Taha Hussein AL-Husseini
- **Abstract:** There are several types of constitutions, and the scope of the constitutional judiciary is limited to one type of them, which is rigid constitutions. In its essence, this judiciary is based on the transcendence and rigidity of the constitution. As for the system of government, it is based on the principle of separation of powers and the rule of law. It also has more than one source, such as constitutional legislation and constitutional custom.
- **Keywords:** constitutional, judiciary
