

Divine Justice and Its Representations in Iraqi Theatrical Texts: (Black Horizon Play/Ali Abdul-Nabi Al-Zaidi / a model).

- **Author(s):** Hiba Omran Najm Al-Shimmari ,Zaid Thamir Abdul-Kathim
- **Abstract:** Justice, as one of the concepts that has become in all ancient and modern civilizations, an important center for man, through its many and different functions and through its true meanings for all values and ideals that regulate man's relationship with society, and man's relationship with the true self, whether that is anthropology or philosophical. It pushed man as a self to build his justice according to the position of authority imposed by the state and the society to which he belongs.
- **Keywords:** Justice, Modern civilizations, Man's relationship,
